ELDEN RING is the new fantasy action RPG and is in development. A large scale, exciting and unique RPG set in a vast world, featuring the expansion of the PvP battle system, which is guaranteed to excite the hearts of fans of action RPGs. ABOUT ELDEN RING 2: The Elden Ring 2, the sequel to the newly announced action RPG Elden Ring, will maintain the core strengths of the game, while expanding the new high-quality features. In addition to the story and characters, a new approach to the battle system, a fully-equipped character system, and a new “Vault” that will develop your characters are among the new features that we are preparing. As a sequel to Elden Ring, the game will also be followed by a new story after “The Tarnished Lord”, in which we will continue to introduce new features, while drawing upon the strength of the game. - THE NEST A new story featuring the characters that you met in Elden Ring. The story will bring you a new world, new characters, and a new adventure. - ACQUISITION MANAGEMENT In the game, you will also be able to expand your character. In addition to collecting items and raising the level of your characters, you can also spend money to purchase items that will increase your character’s power and obtain resources that will raise the level of an area. - NEW CHARACTERS A new approach to character development and information on the previous story will be provided by the character information screen. There will also be a new feature that allows you to choose your own hero. - HIGHLY-CUSTOMIZABLE EQUIPMENT In addition to weapons and armor, you can also equip various kinds of equipment. For example, weapons, armor, magic, and accessories, and select equipment that best suits your character by the equipment class will be included. - THE DIVINE THRASHER MATCH BATTLE SYSTEM With various combinations of the equipment class and weapon, the fight scenes will present a completely new aspect. The combination of weapon and armor will determine the degree of attack power and also the response when enemies use special attacks. Thus, you will feel a sense of joy and the visceral excitement while fighting with your own unique equipment. - PEACEFUL CUTTING COMBAT In
